

The 20th Annual Glendale Town Heritage Apple Festival will be October 12, 2019. We will have street vendors, a raffle and quilt show. WE also will be raffling off a quilt this year. We are excited this year about the festival and would like to invite you to join us. The Vendor Registration form is on the next page, we invite local people, businesses and others from outside the community to come this year. Vendors are on Saturday.

Vendor Booths are very affordable, priced at only \$25.00 this year; we want to make it affordable for all. We have a very limited amount of electrical outlets and they are all at the city hall. There will be a \$10.00 charge for electricity if available; you will need to check with us before you register. If you need electricity it is better if you can bring your own.

We will have a hot spot set up this year so you can get wi- fi for your booths. You can rent a booth for the entire day and sell your crafts, fresh baked good, grilled foods, or other items to hundreds of prospective customers. You will need to bring your own cover for your booth if you want one.

People come from all over to the Glendale Heritage Apple Festival as it has become well known; we also have the traffic from Highway 89. Set up will be Saturday morning starting at 7:30 in Glendale and will go until 4:00 p.m. A good time to get some money before the Holidays!

We are doing it in September so we will still have the tourists who are going back and forth from Zion Park, Cedar Breaks and Bryce Canyon. You may download a vendor application at [www.glendaletown.org](http://www.glendaletown.org)

We would like all to participate as we have many activities planned from the traditional William Tell Archery contest, raffles and food. Make Checks payable to: Glendale Town -with "Apple Festival Vendor" written in the memo/note section

Hope to see you there! Any questions call: Glendale town, 435-648-2341.
